Business rules
Requests
• One request per worker per shift.
• Applications only for PUBLISHED listings, before the deadline.
• A worker cannot apply to their own business.
• Only an ACCEPTED request can create a JobAssignment.
Assignments
• A worker is assigned to a shift at most once.
• Active assignments per shift must not exceed slots.
• Only COMPLETED assignments can be rated or paid out.
Ratings
• Score is between 1 and 5.
• Only the worker and employer of the assignment can rate.
• One rating per participant per assignment.
Money
• Funds are held in escrow before the shift starts.
• Released only after the employer confirms completion.
• Commission is deducted on release.
Listings
• A listing must be approved by an Administrator before it is PUBLISHED.
